### *Lock 8 Lager*

Lock 8 lager is a refreshing lager that has been slowly aged to give it a light straw colour & a medium body. It has ample hopiness in the nose, a clean - accented palate, & a smooth medium dry finish.

### *Canalside Ale*

Canalside Ale is a medium bodied Canadian Ale with fine hop character, crisp residual sweetness, and a perfectly balanced malt finish.

Import

### *Guinness*

Guinness has an initial malt & caramel flavour & finishes with a dry roasted bitterness. The roasting of the Irish barley gives it the distinctive ruby tint while the yeast assists in firming the creamy head.

### *Harp Lager*

Harp is brewed with golden barley & only the choicest hops to give a smooth satisfying lager taste.
